What do we mean by *Ethical Leadership?*

Ethical leadership is influencing people through personal example and providing purpose, direction, and motivation to accomplish goals consistent with the moralistic ideals of the organization.

Ethical Decision-Making Model

Take A Breath
- Assess the Situation
- Identify the Problem
- Identify Justifications

Think it Through
- Identify Alternatives & Possible Consequences
- Evaluate Alternatives

Do What's Right
- Select the Best Option
- Plan for Success
- Lead & Follow Through: *Make it happen!*
